INDEPENDENT AUDITORS' REPORT

Board of Directors

We have audited the accompanying statement of financial condition of Euro-American Equities, Inc. (the Company) as of December 31, 2004 and 2003, the related statements of income, changes in stockholders' equity, and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Euro-American Equities, Inc. at December 31, 2004 and 2003, and the results of its operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

EURO-AMERICAN EQUITIES, INC. REPORT OF MATERIAL INADEQUACIES AND INTERNAL CONTROL

December 31, 2004 and 2003

As part of our examination of the financial statements of Euro-American Equities, Inc. for the years ended December 31, 2004 and 2003 we made a study and evaluation of the Company's system of internal control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the Company's financial statements. Our study was more limited then would be necessary to express an opinion on the system of internal accounting control taken as a whole.

Our study and evaluation was made for the limited purpose described in the preceding paragraph and would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of Euro-American Equities, Inc. taken as a whole. However, our study and evaluation disclosed no condition that we believe to be a material weakness.

This report is intended solely for use by the U.S. Securities and Exchange Commission and should not be used for any other purpose.
